FEATURES & SPECIFICATIONS

INTENDED USE

DCAS and DSAS Aeris Decorative Arms are available for use with the small Aeris™ (AS1) luminaire only. DCAS2 and DSAS2 are compatible with the large Aeris™ (AS2). Decorative Arms are compatible with square poles and round poles.

CONSTRUCTION

One piece cast aluminum body with covered wiring access. Ribbed detail from Aeris™ fixture carries over on decorative arm for consistent look. Coated with polyester powder finish, specify color to match fixture when ordering.

INSTALLATION

Arm-to-Luminaire: Standard Aeris™ mounting block bolts to Decorative Arm and then secures to integral luminaire arm.

Arm-to-Pole: Standard Aeris mounting block bolts to square pole and then secures to end of Decorative Arm. Use standard Aeris drill template for pole bolt pattern. Add "R" to end for decorative arms that are compatible with round poles (Example: DCAS1R).

Consult Aeris™ Specification Sheets for ordering information.

NOTE: Specifications subject to change without notice.
